Dear Customer,

NCEEC Inc. Namco Div. the manufacturer of NYC Coated pipe, hereby certifies that all our product meets the requirements as stated in Contract C-26505, section 16D, dated 01/17/08.

All conduit and fittings that NCEEC Inc supplies meet the current UL 6 Codes. Our UL file number is E230701 and the control number is 51DB under the heading of Rigid Ferrous Metal Conduit (DYIX) dated Sept. 17th 2002. Approval is for trade sizes 3/8" to 6" All testing reports are on file at UL and testing results are available at request from UL. All documentation is on file for UL 6 and NYTC approvals at the office of NCEEC Inc. At any time you are welcome to come review it for your needs. If you have any additional concerns, please feel free to contact me.

Thank you for your consideration.

Sincerely,

Neal Morofsky
